MONACO YACHT SHOW 2018

Par Excellence · September 26, 2018

Five artisans d'art, all Living Heritage Companies (Entreprise du Patrimoine Vivant), have been selected for the **2018 Monaco Yacht Show**, taking place in **September, from 26th to 29th**. Marbrerie Fochesato, **Jouffre**, Ludwig & Dominique, **Manufacture de Tapis de Bourgogne** and Atelier Bernard Pictet presented their breathtaking creations in a 35 square-meter space designed by François Zuretti.

We are proud to call two of them as partners of Par Excellence: **Jouffre** and the **Manufacture de Tapis de Bourgogne**.

François Zuretti used glass by Bernard Pictet, furniture by Ludwig & Dominique, **rugs by Manufacture de Tapis de Bourgogne**, marble by Patrice Fochesato and **upholstery by Jouffre** as a superb living area for a **luxury yacht**. This event brought together the quintessence of craftsmanship and artistry.
